

Our Services

The Services allow users to (a) coordinate magnetic resonance imaging scans or other imaging, scans, or medical tests for screening and other assessments (“Imaging Services”) at one of our Affiliated Practice locations or third-party imaging locations (“Imaging Locations”), and (b) receive other products or services. For example, the Services may include administrative support in connection with scheduling, communications, and payment for healthcare services you receive from an Affiliated Practice or an Imaging Location (either in-person or virtually)

By using our Services, you assume full responsibility for your use of the Services and agree that we are not responsible or liable for any claim, loss, or damage arising from use of the Service.

No Treatment Offered by MRI/ Medical Disclaimer: MRI Wellness is not authorized to provide services requiring professional licensure, does not offer any medical treatment or perform any clinical health services, and does not provide any medical advice. MRI Wellness Health only offers preliminary evaluation services and limited medical advice in response to specific findings identified in connection with your medical history, and the results of your Imaging Service or other applicable Products Depending on the results of your Imaging Service or any other applicable Product, you should contact your applicable health care provider for further advice, follow up, diagnoses, or treatment. We will share the results of your Imaging Services and of our other Products with third parties at your request and only as permitted by the Health Insurance Portability and Accountability Act (“HIPAA”).
